INDEX 2001

Title Index / Index des titres 2001, Volume 92

ACHIC: Achieving Cardiovascular Health in Canada (Preface), I2 (July/August)

Achieving cardiovascular health through continuing interprofessional development, 110-116 (July/August)

Adolescent smokers' preferred smoking cessation methods, 423-26

Alcohol involvement in snowmobile operator fatalities in Canada (Short Report), 359-60

Alcohol-related policy measures in Ontario: Who supports what and to what degree?, 24-28

Analysis of factors related to development, regulatory level and change in municipal no-smoking by-laws in Ontario, 412-16

Assessing the efficacy of a school-based asthma education program for children: A pilot study, 30-34

Assessing the health and functional status of older women with breast cancer using the Minimum Data Set-Home Care (MDS-HC) (Short report), 457-59

Bias in maternal reports of smoking during pregnancy associated with fetal distress, 109-12

Canadian incidence study of reported child abuse and neglect: Methodology, 259-63

Cancer coverage in newspapers serving large and small communities in Ontario, 372-75

Cancer prevention in the community: A survey of community residents, 48-52

Cardiovascular health in Canada: Are we fiddling while Rome is burning? (Commentary), 441-42

Case-control study of the association between sociodemographic, lifestyle and medical history factors and multiple sclerosis, A, 281-85

Characteristics of patients with a regular source of care, 299-303

Characteristics of preterm delivery and low birthweight among 113,994 infants in Alberta: 1994-1996, 276-80

Community action success in public health: Are we using a ruler to measure a sphere?, 90-94

Comparing benefits and risks of immunization, 173-77

Completing the picture: Adolescents talk about what's missing in sexual health services, 35-39

Congenital anomalies and other birth outcomes among infants born to women living near a hazardous waste site in Sydney, Nova Scotia, 331-34

Conséquences émotionnelles, physiques et sociales du dépistage du cancer du sein : fiabilité et utilisation d'un questionnaire clinique, 57-61

Contraintes psychosociales au travail chez les Canadiennes et les Canadiens, Les, 460-67

Controlling the ischemic heart disease epidemic: Strategies for the 21st century (Commentary), 9,10,34

Couverture vaccinale pour le vaccin d_2T_3 des adolescents âgés de 15 ans résidant en Montérégie (bref compte-rendu), 264-66

Decreasing influenza impact in lodges: 1997-2000 Calgary Regional Health Authority, 291-94

Descriptive analysis of endemic cryptosporidiosis cases reported in Ontario, 1996-1997, 62-66

Descriptive analysis of giardiasis cases reported in Ontario, 1990-1998, A, 361-65

Descriptive epidemiology of a depressive syndrome in a Western Canadian community population, 392-95

Do area-based markers of poverty accurately measure personal poverty?, 184-87

Eating and smoking behaviours of school children in Southwestern Ontario and Charlottetown, PEI, 433-36

Effects of physically active leisure on stress-health relationships, The, 214-18

End-of-life population study methods (Short Report), 385-86

Enquête sociale et de santé de 1998 au Québec : divers déterminants des maladies chroniques respiratoires, 228-32

Évaluation d'une activité de dépistage de masse aux facteurs de risque des maladies cardiovasculaires en milieu rural, 223-27

Évaluation d'une campagne de promotion de la vaccination contre l'hépatite B chez les adolescents de la région de Montréal-Centre en milieu scolaire, 348-52

Évaluation de la diffusion d'un projet de réduction du tabagisme (bref compte-rendu), 304-6

Evaluation of a community-wide preterm birth prevention program (Short Report), 328-30

Factors important in promoting cervical cancer screening among Canadian women: Findings from the 1996-97 National Population Health Survey (NPHS), 127-33

Fall-related hospitalizations: What's in season?, 113-16

Familial influences on substance use by adolescents and young adults, 206-9

Familial resemblance of bone mineral density between females 18 years and older and their mothers, 353-58

From death and disability to patient empowerment: An interprofessional partnership to achieve cardiovascular health in Canada, I3-I9 (July/August)

From "thrifty genotype" to "hefty fetal phenotype": The relationship between high birthweight and diabetes in Saskatchewan registered indians, 340-44

Gender differences in predictors for long-term smoking cessation following physician advice and nicotine replacement therapy, 418-22

General social support and physical activity: An analysis of the Ontario Health Survey, 210-13

Girlpower Project, The: Recreation, BC health goals and social capital, 448-52

Globalization and reform of the World Trade Organization (Commentary), 248-49

Harm reduction and illegal drugs: The real debate (Commentary), 204-5

Health informatics education: An opportunity for public health in Canada, 233-36

Heart disease risk factor prevalence and profiles in a randomized community sample of Canadian women, 121-26 (July/August)

Heart Health Hamilton-Wentworth survey: Programming implications, 443-47

Home care after hip fracture in a health planning region, 380-84

Hospitalization for ambulatory care-sensitive conditions: A method for comparative access and quality studies using routinely collected statistics, 155-59

How Canadian legislators view health promotion: Does party affiliation matter?, 16-18

How government policy decisions affect seniors' quality of life: Findings from a participatory policy study carried out in Toronto, Canada, 190-95

How to find Chinese research participants: Use of a phonologically based surname search method, 138-42

Hypertension recommendations: Are they relevant to public health? (Editorial), 245-46

Il est temps d'aider les jeunes à renoncer au tabac (Éditorial), 406, 416

Il n'est pas question que nous relâchions nos efforts : colloque par invitation sur la poliomyélite (encart, Volume 92, no 5)

Impact d'une recherche active d'information vaccinale chez les enfants ayant un carnet de vaccination incomplet ou chez ceux qui l'ont perdu, 267-71

Improving population influenza vaccine coverage through provider feedback and best practice identification (Short Report), 345-46

Improving the time to diagnosis after an abnormal screening mammogram, 366-71

In response to Harm reduction and illegal drugs: The real debate (Letter to editor), 371

Infant mortality among Status Indians on Vancouver Island, British Columbia: Evidence of variability within the Status Indian population, 453-56

Injury in Canadian youth: A brief report from the Health Behaviour in School-aged Children survey, 201-3

Inter-provincial variation in government drug formularies, 307-12

Introduction to multilevel regression models, An, 150-54

'Light' and 'mild' cigarettes: Who smokes them? Are they being misled?, 407-11

Maclean's rankings of health care indices in Canadian communities, 2000: Comparisons and statistical contrivance, 295-98

Manque de conviction face à la vaccination chez certains vaccinateurs québécois, 100-104

Mothers' efforts to protect their infants from environmental tobacco smoke, 46-47

Mothers' perceptions of childhood immunizations in First Nations communities of the Sioux Lookout zone, 42-45

New international trade regime, The: Problems for publicly funded healthcare in Canada? (Editorial), 5-6

No room for complacency: An invitational polio symposium (insert, Vol. 92, No. 5)

North-south gradient in health, The: Analytic applications for public health, 95-98

Nouvel ordre commercial international, Le : menace pour le système de soins de santé public du Canada ? (Éditorial), 6,18,23,28

Nova Scotia high school students' interactions with physicians for sexual health information and services, 219-22

Obesity, cigarette smoking and the cost of physicians' services in Ontario, 437-40

Organizational and professional characteristics predicting external communications in Canadian public health units, 387-91

Overcoming barriers to breastfeeding: Suggested breastfeeding promotion programs for communities in eastern Nova Scotia, 105-8

Playing on shifting sand: Reflections on the impact of political shifts on community action and public health (Commentary), 87-89

Predictors of Canadian legislators' support for public health policy interventions, 188-89

Prématurité et petit poids à la naissance : les effets du tabagisme actif et passif durant la grossesse, 272-75

Prenatal HIV screening in a tertiary care centre, 255-58

Putting the public back into public health: One city's experience (Editorial), 85-86

Quitting sooner: A new climate for tobacco cessation (Editorial), 405-6
Re: The new international trade regime: Problems for publicly funded healthcare in Canada? (Letter to editor), 237
Re: The new international trade regime: Problems for publicly funded healthcare in Canada? (Response from author), 237
Recherche comme pierre angulaire de la lutte contre les jeux d'argent, La (Éditorial), 166-67
Recommandations à l'égard de l'hypertension artérielle sont-elles pertinentes pour la santé publique ?, Les (Éditorial), 246-47
Remettre le public au coeur de la santé publique : l'expérience d'une ville (Éditorial), 86, 126
Research as a foundation for action on gambling (Editorial), 165-66
Risk factors for falls and injuries in a long-term care facility in Ontario, 117-20
Role of the health sector in addressing poverty, The, 178-83
RSCC : Réaliser la santé cardiovasculaire au Canada (Préface), I2 (Vol. 92, No. 4)
Serological survey of rural dogs and cats on the south-western Canadian prairie for zoonotic pathogens, A, 67-71
Smoking behaviour and dietary restraint in young adolescent women: The role of physical self-perceptions, 428-32
Some reflections on the relationship of risk, harm and responsibility in recent tobacco lawsuits, and implications for public health (Commentary), 7-8
Survey of infection control procedures at manicure and pedicure establishments in North York, 134-37
Taking the Helm: Combining Responsibilities (Editorial), 325-26
Tenir la barre en évitant l'écueil des conflits d'intérêts (Éditorial), 326-27
Three top Canadian and personal health concerns of a random sample of Nova Scotian women, 53-56
Tobacco industry litigation and the role of government: A public health perspective (Commentary), 89, 112
Trends of hepatitis B and hepatitis C mortality in Canada, 1979-1997, 250-54
Understanding newborn infant readmission: Findings of the Ontario Mother and Infant Survey, 196-200
Unintentional firearm deaths: Can they be reduced by lowering gun ownership levels? (Short Report), 396-98
Updating and refining prevalence estimates of disordered gambling behaviour in the United States and Canada, 168-72
Use of population health and health promotion research by health regions in Canada, The, 19-23
Utilisation des technologies de l'information et des communications (TIC) en santé publique, L', 313-16
Validité des indices de demande psychologique et de latitude décisionnelle utilisés dans l'Enquête nationale sur la santé de la population (ENSP) de 1994-95, 468-74
Vitamin-mineral supplementation and use of herbal preparations among community-living older adults, 286-90
Weight change, nutritional risk and its determinants among cognitively intact and demented elderly Canadians, 143-49
What support do caregivers of elderly want? Results from the Canadian Study of Health and Aging, 376-79
Work-related population health indicators, 72-78
Young parents' understanding and actions related to the determinants of health, 335-39
